PLAYERS SEEKING TEAM:

Looking for an 11U team in Lincoln for my son. He's a natural athlete who loves baseball and wants to make it his focus sport. He has played since kindergarten for the YMCA and Saltdogs leagues and would like to find a more competitive team that will challenge him to grow and develop. He's a big boy for his age (5'7"/160 now) with a strong bat. He enjoys playing 1st and 3rd base, and is working on his consistency with pitching. His DOB is 09/22/09. Please contact Keri at 402-202-8086 if you would like to connect to see if he might be a good fit for your team.

I have an 11u boy that is looking for a team to play on in the Grand Island area. He has played competitive baseball for the last years and is a very coachable kid. He has played right field and first base in the past and is a lefty. He has a great attitude and is a team player and supporter. DOB 6/29/09. Looking for a team that he can continue to grow and develop his love of the game and skills. Please contact Henry at 308-390-0072 if you are interested in getting together for a tryout.
