

Additional ALL-STATE SHOWCASE Information

We always need Coaches/Parents to volunteer. If you do not have a coach that shows up, please volunteer as a parent to assist on the field. It will be as much fun for you as it is for the players.

Coach, Umpire, Parents, Players & Site Director Notes

Coaches should meet the site director listed below, one hour before their first game to pick up the players Ring. The site director's location is listed below. **Maybe most important. At the end of games if you had a player that was not present you must return the ring with the name of the player to the Site Director. It is the only way we can mail the player his ring. Some ROSTERS have changed since I printed who you have. There may be a player on your roster that is not there because I had a late email that he would not be attending and pulled his ring. Feel free to note that but if short a ring, that is probably what happened. I have it and will mail next week.**

- **Coaches, make sure to hand out the Rings as soon as you meet your players.** Make sure they get their awards early just in case there would be weather issues.
- Players, please arrive at least 40 minutes prior to scheduled start time, so Coaches can hand out the rings and so they can visit with you about positions. That will allow them to put lineups together and to give you the warm-up time you need prior to starting the game.
- Umpires must get baseballs from the Site Director before the start of each game. Please return baseballs after the last game. The Site Directors location is listed above.
- Everyone plays. If a player sits out an inning, he is in the next inning. Players bring your own helmet if you have one. We do not keep score!! The home team is decided by coin flip.
- Allow players to play different positions, perhaps draw names from a hat for batting order. Make it fun. If a team bats around during the inning, stop and change sides.
- If we have a player or two that does not show and a team is left with less than 9, please check team in other dugout or next to your field for a team that perhaps has 10 or 11 and could give you a player for the 2 games.

- If we have a team that does not have catcher gear, please do the same thing as above. It may be a good idea if you have team catcher gear to bring it along for emergency backup. THE 1 HR. 40 MIN. GAME TIME IS A DROP-DEAD GAME LENGTH.
- If we have a player not show up, please turn their Ring & Entry Form over to the Site Director listed above. The Site Director will be at the location listed above. It is very important you do this before leaving. THIS IS CRITICAL. SITE DIRECTORS WILL RETURN IT TO ME AND I WILL MAIL IT OUT. THIS IS THE ONLY WAY I CAN GET THEM THEIR RING.
- Team/Player Introductions for each game. Have your team line up on 1st and 3rd base line before the game and have them introduce themselves. Coach leads it off to show them how. At the conclusion of the game and after shaking hands have them line up again same way as before and together the team will tip their hats to parents in appreciation. Thanks this goes a very long way in making the event special.

THE BEGINNING INTRODUCTIONS & THE HAT TIP AT THE END OF THE GAME, GO ALONG WAY IN MAKING THE EVENT WHAT IT IS. THANKS FOR YOUR HELP AND FOR A GREAT 2024 SEASON. CONGRATULATIONS 2024 ALL STATE SHOWCASE PLAYERS & COACHES
