Important Game Day Information

All teams will play two games unless the weather forces us to change format. **Players will wear their team uniform at the games. Players should bring their own helmet & catching gear.** **The games will start with players lining up on each foul line and they will introduce themselves and announce what team they played for this 2024 season.** The teams will bat the lineup and there will be free substitution. If a team bats around, we will simply stop and change sides. Coaches are encouraged to move players around to different positions and not let a player remain on the bench more than 2 consecutive innings. Games will be 1hr

40 min.(drop dead) and we will play till that time is up. Delayed starting times could cause games to be shortened in length. We do not keep score, there will be no winners and no losers. **Correction, there will only be winners.!** The game is set up to honor the All-State Showcase Players. **Each game will end with them again lining up again and tipping their hat to the fans.**

Great way to end the 2024 season & Congratulations to All the Nebraska All State Showcase Players!!
