

TOURNAMENT DIRECTORS:

The USSSA Director's Website continues to be updated. The process will continue making updates and improvements which will be posted on the front page of the Directors Website. The Help Site continues to update and show different features that have been added. That link is available below.

Tournament Directors- must list Tournaments on <http://dc.ussa.com> Tournament Directors will list tournaments, post rules that are tournament specific, update pool play scores, bracket scores, update pitching game by game and update order of finish. This will award USSSA Points.

Director Help Site <http://help.ussa.com>

Director Information and Resource Center. Built to provide training materials and other resources need for directors.
